Hi Danielle,
Here is a clean copy for your final read through. Also, attached are the updated clearer figures for the offsite RBA. This text has not been back through editing and formatting yet. We sent it to them and they will likely have it completed on Monday. I will forward that version along when its ready.
Thanks!
Kim

Hi All-

Attached are the updated text and figures (that were updated to reflect the offsite RBA location).

We used an updated, edited version of the work plan to revise the text in tracked changes based on your comments. We inserted your comments and responses where applicable (only those that we either didn't make a change on or where we responded to a question).

Please let us know if you have any additional comments or if you'd like to discuss.

Thanks!
